The Friends of the Library

The Graham Library is heavily supported by
The Friends of the Library, both as individual
benefactors and by the corporate revenue from
more than three decades of annual Friends'
Book Sales. In addition to this material support,
the energetic confidence of the Friends has long
sustained the hope and vision that is embodied
in Trinity's new library.

Founded in November   , the Friends'
objectives are several: to promote the welfare of
the library; to provide funds for acquisitions and
special projects; to encourage gifts and bequests
of books and manuscripts to the Library and
Archives; and to promote awareness of the
Library's resources by organizing exhibitions and
programmes of literary and historical interest.

The Book Sale, an event which involves over
200 volunteers—many working year round
to sort, price and display more than
volumes—annually attracts over   readers,
collectors and bibliophiles to the College during
 ve days in October. Over the years revenue
from the Sale has funded book and equipment
acquisitions and the cataloguing and restora-
tion of the Rare Books Collection. Accumu-
lated earnings from the Sale enabled the Friends
to give   ,   ,   to help build the Graham
Library and $1,000,000 to endow book acqui-
sitions, and to pledge $1,000,000 towards the
endowment of the Nicholls librarianship.

The Friends also produce and sell book bags
and a series of greeting cards using images from
illustrated works in the library collections.

Membership in the Friends is open to all. As
a member you will receive invitations to literary
evenings in the College throughout the year; Ex
Libris, a publication of the Friends; and Trinity,
the college alumni magazine.

You are warmly invited to join The Friends of
the Library.
